

Valuation Policy

The Company carries investments on its Unaudited Consolidated Statement of Assets and Liabilities at fair value in accordance with US GAAP, with changes in fair value recognised within the Unaudited Consolidated Statement of Operations in each reporting period. Quoted investments are valued according to their bid price as at the close of the relevant reporting date. Investments in private securities are priced at the bid price using a pricing service for private loans. Asset backed securities are valued according to their bid price. If a price cannot be ascertained from the above sources, the Company will seek bid prices from third party broker/dealer quotes for the investments. The Investment Manager believes that bid price is the best estimate of fair value and is in line with the valuation policy adopted by the Company.

In cases where no third party price is available, or where the Investment Manager determines that the provided price is not an accurate representation of the fair value of the investment, the Investment Manager determines the valuation based on the Investment Manager's fair valuation policy. The overall criterion for fair value is a price at which the securities involved would change hands in a transaction between a willing buyer and a willing seller, neither being under compulsion to buy or sell and both having the same knowledge of the relevant facts.

Consistent with the above criterion, the following criteria are considered when applicable:

- Valuation of other securities by the same issuer for which market quotations are available;
- Reasons for absence of market quotations;
- The credit quality of the issuer and the related economics;
- Recent sales prices and/or bid and ask quotations for the security;
- Value of similar securities of issuers in the same or similar industries for which market quotations are available;
- Economic outlook of the industry;
- Issuer's position in the industry;
- The financial information of the issuer; and
- The nature and duration of any restriction on disposition of the security.
